

MARK HEROLD WINES

2018 HEROLD CABERNET SAUVIGNON ROSÉ NAPA VALLEY

TASTING NOTES

The 2018 HEROLD Rosé is made from 100% Napa Valley Cabernet Sauvignon. The generous aromas display an arrangement of crushed strawberries in cream, freshly cut apples, ripe melon, peaches and white raspberries; followed by secondary notes of kumquat, mango and plum. Delightfully complex, crisp and light on its feet. Flavors of both tropical and stone fruits lull you to an enduring finish.

VINTAGE NOTES

We experienced abundant rains in the winter of 2018 leading to a late budbreak, creating a plentiful fruit set. In contrast to the 2017 vintage, there were no major heat spikes during the growing season which was extended and consistent. The moderate temperatures created optimal conditions for creating expressive and balanced flavors in the fruit.

This Rosé is made from a saignée of high quality, Napa Valley Cabernet Sauvignon. Fermented in neutral, French oak barrels for four months.
